

## South China Normal University International Summer Session

### 36K04167: Managerial Accounting

**Term:** July 15th –August 9th, 20

**Instructor:** Dr. Michael Petersen

**Home Institution:** North Dakota State University

**Credit:** 4

#### Course Description

This course focuses on managerial accounting concepts, processes and techniques including cost accounting, cost-volume-profit analysis, and budgeting. The understanding of financial statements developed in Financial Accounting is applied for managerial decision-making purposes.

#### Course Goal

- Identify and define costing vocabulary using in a business setting.
- Compute product costs using job-order and activity-based costing.
- Use cost-volume-profit analysis and relevant costs to support managerial decisions.
- Prepare budgets.
- Prepare and interpret variance reports.
- Use time-value-of-money to make capital budgeting decisions.

#### Course Readings

Garrison, R.H., E.W. Noreen, and P.C. Brewer. 16th Edition. Managerial Accounting. McGraw-Hill Education ISBN: 978-1-25-930741-6

#### Grading Scale

Percentage	Grade
90-100	A
80-89	B
70-79	C
60-69	D
< 60	F

**Grading**

In this course, grading will be based on the following:

Mid-term and Final exam (150 pts each)	300 pts
Quizzes (4 at 25 pts each)	100 pts
Homework Submissions (Highest 10 @ 10 pts each)	100 pts
In-Class Assignments (Highest 10 @ 5 pts each)	50 pts
Attendance	<u>50 pts</u>
Total Points	600 pts

Quizzes: Four quizzes will be given, worth 25 points each.

Homework: Twelve homework assignments will be given, with the highest 10 counting toward the grade.

In-Class Assignments: Twelve in-class assignments will be given, with the highest 10 counting toward the grade.

Attendance: Initially, 50 points will be awarded for attendance. This total will decrease by 5 points for every class missed.

**Class Rules:**

Students are expected to:

- Attend all classes and be responsible for all material covered in class and otherwise assigned. Any unexcused absence may impact a student's grade. Complete the day's required reading and assignments before class
- Review the previous day's notes before class; make notes about questions you have about the previous class or the day's reading
- Participate in class discussions and complete required written work on time.
- Refrain from texting, phoning or engaging in computer activities unrelated to class during class (不要用手机). Students who do not do this will be asked to leave the class
- While class participation is welcome, even required, you are expected to refrain from private conversations during the class period.

**Course Schedules**

The planned schedule may be modified to suit the interests or abilities of the students or to take advantage of special opportunities or events that may arise during the term.
